## The Center of Community Health & Wellness

At the heart of any community is the health of its people. At Greater Baden Medical Services we are here for you. We are a non-profit Federally Qualified Health Center. We provide all the services of a regular doctor's office, as well as mental health and dental services for people who live in Prince George's, Charles, St. Mary's counties and surrounding areas.

### Our Programs & Services

- Family health & dental care
- Family & individual case management
- Health promotion (HIV testing, sexually transmitted disease prevention, tuberculosis control, diabetes, cardiovascular & obesity)
- Child & adolescent (teen) health promotion
- Immunizations (shots)
- Mental health
- Health education & outreach
- Lab tests
- Women, Infants & Children (WIC) supplemental food and nutrition education program

*We welcome people of all ages, race, ethnicity, gender, disability, nationality, sexual orientation or income. Please tell us if you require interpretation services when you make your appointment.*

### Women, Infants & Children (WIC)

WIC is a supplemental nutrition program. The clinic provides healthy supplemental foods, nutrition and breastfeeding counseling to pregnant women, new mothers, infants and children under the age of five. Our WIC staff are also qualified to provide appropriate referrals to social, health and community programs.

## Child & Adolescent Care (Medicaid accepted)

- Immunizations (shots)
- Well-child visits
- Obesity prevention
- Health education
- School physicals
- Adolescent vaccine (for prevention of cervical cancer)

## Dental Care

- Routine screenings (x-rays)
- Cleaning (scaling)
- Fillings & simple extractions

For more complex dental work, we refer our patients to a trusted dentist outside our centers.

**Phone our dental location in Brandywine at (301) 888-2233 for an appointment. For other dental information call the center nearest to you and speak with the Case Manager.**

To **cancel** an appointment please give us 24 hours notice
